The next Morningview Homes Association meeting will be Tuesday, April 22nd at the Valley View United Methodist Church, room 50-51. The meeting will start at 7:00 pm. There will be Child Care provided during the MHA meeting. Please RSVP to Rachel Elvin at 652-0189 by April 17th with the number and ages of your children so that adequate supervision can be secured.

Recycling Changes

In case you haven't heard, Deffenbaugh will no longer be recycling glass containers beginning in late April. The collection vehicles will be changed to compactors and, consequently, it will not be possible to collect glass containers at curbside. Glass containers may still be dropped off at the recycling center at 6900 W. 80th Street. In addition, Deffenbaugh will now be collecting corrugated cardboard, cereal boxes, soft drink and beer cases as well as phone books. Look for the exact date when these changes will be effective in the next edition of the Overland Park Overview. If you are not currently recycling, or you would like to donate your paper recyclables, another option is Katherine Carpenter Elementary. The school receives funding for field trips, library books and other PTA sponsored functions from recyclables dropped off at the school. There are large recyclable bins at both the front and rear of the school. They accept newspapers, magazines or junk mail. Just drop them off at the recycle bins!

Did You Know...

It is against Overland Park City Ordinance to rake or blow leaves or grass clippings into the gutters or street. Please make sure your hired lawn care companies are bagging and disposing of the trash correctly as well.

It is illegal for anyone to set off large or small fireworks inside City Limits ANY day of the year, including the 4th of July.

You need a permit from the City to have a security alarm or fence installed at your home.

RVs, boats, trailers and campers can be parked in a side yard or backyard but not in a side yard adjacent to the street.

Inoperable vehicles must be parked in an enclosed structure (not a driveway) if it is for longer than 15 days.

You may qualify for physical or financial assistance for home improvements.

The above requirements are Overland Park's and not just Morningview's. If you need additional information or brochures, contact property@opkansas.org or 913-895-6370.

Neighborhood Referral Service

Several new referrals have been added to the Morningview list. Recommendations for basement refinishing, carpet installation, kitchen/bath remodeling, lawn care, gutter cleaning and landscaping are all on file. Several homeowners are now using the referrals of their neighbors. Is there someone you have employed in the past that you would recommend to your neighbor? If so, please contact Lori Olson at 913-648-7662 with information regarding the type of work they perform and their telephone number. If you would like to know the companies your neighbors are recommending for home maintenance and repair, the information is only a phone call away!!

Let's Go to the Movies!!

News from the Treasurer

As of March 27, we still have 16 homes that are unpaid for 2003. Of those, two are delinquent for two or more years.
