### Newsletter Editor

Jami Lobdell 341-8587

Town & Country 816-380-5595

Deffenbaugh Recycling 913-631-3300

## From The President...

Well, another summer has come and gone, and we have hopefully nestled into our regular routine as the kids are back in school. What a summer! I have a question....

Do you know who your Morningview volunteers are? You can glance over to the names, but do you KNOW them? If not, you're missing out on a great group of people! We are your neighbors, our kid's coaches, scout leaders, city council representatives, PTA representatives....all who volunteer their time and energy to help support the Morningview community.

If you don't know them, come and meet them at the next meeting,

September 22nd. If you already know all of us, we would love to see you there. Why attend the meetings?

Well, there are many reasons. First, get to know more of your neighbors. You will be able to hear first hand what's going on in and around the community. You will be able to be involved in important discussions, decisions, and votes concerning the community. Learn about the budget for Morningview, make suggestions and who knows, maybe you will want to volunteer for a committee or an official Officer or Board position. Elections for 2010 positions are just around the corner and there will be

some available spots to fill.

Whether you just want to be informed, bring up a concern or suggestion, all Morningview residents are welcome and encouraged to attend.

I'd personally like to thank all the 2009 Morningview volunteers, and all of the volunteers in the years past. Thank you for your time, passion, and service! -Brian

## News You Can Use

Please join us at the September 22nd meeting at 7:00 at Westbrooke Christian Church. Located at 9898 W 95th Street. It is a NEW location and we are happy that they have opened their church up to us. We will be nominating Officers and Board Members for the 2010 year to be voted on in November.

Cherokee South Plaza construction is well underway it will feature outdoor patios, tree-lined sidewalks and green spaces for public use. The Walgreens is expected to open this October, with the shopping center scheduled for completion in the spring. We are looking forward to new business neighbors soon!

### Speeding on 99th Street

Be sure to watch your speed in the neighborhood. With school starting and the recent traffic fatality on 99th, the police have stepped up their presence and have been issuing tickets.

# Morningview Homes Association

## September is Already Here!

With summer coming to a quick end it is time to start thinking about Morningview residents favorite pastime, leaves. It's up to you to pick them up. The city does not provide leaf removal or pick up, nor does the city sweep up leaves that have accumulated in the street. Residents who rake or blow their leaves can bag them in compostable paper sacks (available at lawn and garden stores etc.) and leave them at the curb for Town and Country to pick up. Another option is to start a [compost pile](#) in your back yard. There are many websites as well as books that can help you start. When you rake or blow your leaves, do not deposit them in the street, in the curb or into a [storm drainage culvert](#). Leaves on the street can become wet and slippery, leading to hazardous situations. It is against city ordinance to dump, rake or blow your leaves into the storm drainage system or onto a city street. If you see a neighbor doing this kindly remind them that it is DANGEROUS. Overland Park also [prohibits the burning of leaves](#) anywhere within the city. Anyone caught burning leaves is subject to a ticket and a subsequent fine. If you are unable to rake your own leaves remember that there are lots of kids in the neighborhood that would love to earn an extra few bucks. If that is not a good option there are also community groups that can assist as well. Please be respectful of your neighbors and be kind to your yards by picking up your leaves. You will be glad you did once the snows start to melt!

Are you looking for something fun to do around town? Here are a few events that are coming up.

- Art exhibits at the OP Convention Center

July 28-Sept. 28: The Human Form Exhibit

Sept. 29-Nov. 30: The Photography Exhibit

- Overland Park's annual Fall Festival Sept. 26, 2009 from 9 am to 5 pm

- Deanna Rose Farmstead's Apple Fest from 11 a.m. to 3 p.m. Sept. 19, 2009.
