Shawnee Mission School District (SMSD) Budget Cuts

- Proposed cuts were presented to the School board March 8th, which included eliminating strings from elementary schools and a loss of over 125 jobs.
- Possible solutions include: staff reductions (impacting class size and program delivery); fee increases where possible (facility rental, all day kindergarten); additional cuts to operating budgets; or use reserves and fund balances to balance this year's budget.

- If you are wondering "what can I do to help," here is a resource: <http://www.smsd.org/publicinfo/lobbyist.htm>.

27 Morningview Homes Delinquent on Homes Association Dues

- If you are delinquent, you are charged a \$5 late fee the first month, and every month thereafter an additional \$10 late fee is applied. After a period of time, trash service will be interrupted until dues and late fees are paid.

New Neighbors

Spring time brings beautiful flowers and April showers. In addition, it is well known that spring is a popular time to sell homes, and combined with the tax incentives, there have been several homes for sale in Morningview recently. Please remember to greet your new neighbors and welcome them to our wonderful neighborhood.

New neighbors, we invite you to join us at our Morningview Homes Association meetings. You will get an opportunity to meet your neighbors, find out about current events happening in our neighborhood as well as the surrounding area, and if you volunteer to be on the board you get your dues refunded at the end of the year as long as you fulfill your obligations. So come meet some great people and save yourself money at the same time. We'd love to meet you!
